

# BG Engine Performance Service

## FOR AGRICULTURE EQUIPMENT

### HD ENGINE PERFORMANCE RESTORATION®

This 2-part service safely and effectively cleans agriculture equipment engines and fuel systems by removing carbon deposits and varnish buildup.

**BG EPR® Engine Performance Restoration®** is a world-class engine cleaner.

**BG Fuel System Performance Restoration** eliminates diesel injector deposits commonly found in HPCR fuel systems.

# SYSTEM SERVICES AGRICULTURE EQUIPMENT

**BG EPR®** Restores compression and cleans engine by removing soot and carbon deposits from the piston rings and restores ring function. Reduces engine vibration and blow-by.

**BG FSPR** Restores optimum efficiency by eliminating deposits in fuel injectors, combustion chambers, and fuel system. Can be used with repair or service level treatment.

**BG DFC PLUS® HP2** Maintains efficiency while protecting the fuel system against corrosion and fuel deposits. Stabilizes fuel preventing freezing and lowers cold flow in low temperatures.

**BG DOC®** Neutralizes acid, contains soot scatter technology, and protects oil.

**BG ULTRA-GUARD® LS** Versatile GL-5 fluid for systems like differentials and transmissions.

**BG DIESEL THAW®** Emergency use for frozen fuel and gelled filters. Stays fluid in low temperatures.

**BG SHEAR POWER® SAE 15W40** Superior cold flow and antioxidants with soot control.

**BG DIESEL CARE® FUEL INJECTOR CLEANER** Removes carbon and deposit buildup from the fuel system. Restores power, performance, and fuel economy.

**BG PREMIUM SYNTHETIC HYDRAULIC FLUID** has an extremely high viscosity index keeping the fluid from thinning when hot or thickening when cold. Handles sub-zero temperatures at which most fluids fail.

**BG COOLING SYSTEM SERVICE** Cleans, replenishes, and restores the entire cooling system with premium coolant and supplemental conditioners.

**BG CLIMATE CONTROL & DISINFECT** Cleans evaporator core, disinfects, and sanitizes fresh-air vents.

**BG SPECIALTY HD GREASES** Exceptional wash out and corrosion prevention, and high-pressure performance.

**ADDITIONAL AGRICULTURE EQUIPMENT OFFERINGS** HCF Waterproof Spray Lubricant | In-Force Penetrating Lubricant | Heavy Duty Concentrate for Industry | BG 245® Diesel Fuel System Cleaner
